

UTILITY TRACTOR SPECIFICATIONS

Lake County is seeking quotes for the purchase of a fifty (50) horsepower (HP) 4x4 utility tractor with loader and open station with canopy for the Lake County Sheriff's Office. This purchase will be made to the vendor with the lowest price when all items (base + options) are added in the aggregate. If the price for an option is being included in the base price, indicate \$0.00 for that option and note this on these specifications in the spaces provided. If a vendor fails to submit a quote for all items, its overall offer may be rejected.

The tractor shall be manufactured so as to be in strict conformance to all standards applied by any Federal or State regulations. Lights, brakes and all other devices, shall be in accordance with industry standards and established safety requirements as well as those safety and highway standards required by Local, State and Federal regulations, specifically including those of the US Department of Transportation.

The specifications and minimum requirements are listed below. **This document must be completed and submitted with the quote.** For each item, the vendor shall mark "yes" or "no" to indicate if the proposed machine meets all requirements in the section. The completed specifications shall be submitted (uploaded) with the quote. **All exceptions or deviations must be explained, by line item number on a separate sheet, submitted with the quote.** The quote shall also include specification sheets of the proposed tractor to allow the County to determine equivalency. All exceptions shall be of equal or greater precision equipment. Equivalency shall be at the County's sole discretion. Note that only one (1) attachment can be uploaded in the electronic quote system when submitting electronically – please scan all submittal documents (these specifications and the tractor specification sheets) into one document for attachment.

Specifications:

1.0 General

- 1.1 Four (4) wheel drive (4x4)
- 1.2 Minimum 50 HP, maximum 52 HP (price as Option), 4 cylinder turbo diesel engine, Final Tier 4
- 1.3 Minimum 39 PTO HP
